Healthy Lifestyle with Huge Views at Moonah Links

Retreat from busy city-living to this healthy environment where one is surrounded by green space. From this north-facing home at Moonah Links, take in the great views from Arthurs Seat to Cape Schanck, over the golf course, local vineyard, Moonah Links Clubhouse and beyond. Phone John 0411 884 641 to arrange a private viewing.

A unique feature of this house design is that it sits up close to the Open Course on a block of approximately 955 sq m, like a treehouse among the gently wooded boundary. Architecturally designed to take advantage of its' unique position, the house features large windows and glass sliding doors on the north and east through which to enjoy the uninterrupted views all round. The thoughtful, functional design of the home, combined with the wrapping of grassed terraces and surrounding native plantings enhances the privacy of this home and the useable recreational space outdoors.

The house is on two levels creating separation zonally between the levels, with indoor/outdoor living spaces, bedrooms, media and study spaces downstairs and main living space upstairs with direct access to the outdoors below. Enjoy a birds-eye view of the natural surroundings and golf course from main living area or deck. For a closer look at the golf course or to take a stroll to the Clubhouse with restaurant, bar and golf pro shop or the local winery, wander down the path to the 8th fairway at the bottom of the garden.
